Subject: Questionnaire - 2025 Agri-Food Strategy Public Consultation

To whom it may concern,

I refer to a letter from your Secretary General to my Director General to participate in your consultation on the 2025 Agri-Food Strategy. That questionnaire was forwarded onto me for attention as Head of Agriculture Statistics. Having examined the questionnaire, the content is more geared towards policy which unfortunately is outside of my remit. Therefore, I am returning a nil response. Many thanks for the offer to participate.

Regards

Paul

Paul J Crowley
