**Trader Notice MH 17/2014**

**To: Meat Industry Operators**

**Subject: Revision to Supplementary Health Certificate for the Export of  
Pigmeat to the USA**

This is to inform you that agreement has been reached with the U. S. Authorities on revised wording for the supplementary health certificate for the export of pigmeat to the USA. The revised certificate comes into effect immediately.

The revision concerns new wording in certain clauses of the certificate regarding disease freedom.

The previous version of the supplementary health certificate made available for use in 2006 is no longer valid and should not be used.

The revised veterinary health certificate will be made available to Veterinary Inspectors at the USDA approved plants through the usual channels, on request.
