Subject: Export of beef to Singapore – updated list of approved plants

This is to inform you that the veterinary authorities in Singapore have agreed to extend the list of establishments approved for the export of deboned beef from Ireland to Singapore by the addition of the following plant:

Donegal Meat Processors Ltd t/a Foyle Donegal, Drumnashear, Carrigans, Co. Donegal

The full revised list of plants approved for the export of boneless beef to Singapore is contained in Annex 1. All other conditions remain unchanged, namely:

- The deboned beef must be derived from animals aged under 30 months;
- The animals from which the beef is derived must have been born and raised in Ireland
- The knives, steels and other tools, excluding carcass splitting saws that are used to sever and remove the spinal cord, must be used exclusively on carcasses of animals younger than 30 months of age
