To: GLAS Advisors with Commonage Training

Re: Commonage Management Plans

As you are aware the closing date for the submission of the GLAS green-land application is fast approaching with the Scheme closing on **Friday 22nd May, 2015**. In its final week, with so much pressure to submit applications, it is very important that the GLAS on-line system work to optimum capacity and without any interruption. Therefore, it has been decided to activate the **Commonage Management Plan** tab after all green-land applications have been submitted.

In the meantime, details relating to Commonages can be accessed on the Commonage Container database which may be found on the Department's website at this link:
<http://www.agriculture.gov.ie/farmerschemespayments/glas/commonagedataforglas/>

We would remind any advisor who wishes to act as a Commonage Advisor that the closing date for receipt of the Commonage Authorisation forms, listing the shareholders nominating the advisor to that role, is **12th June, 2015**. Authorisation forms may be found on the Department's website at this link: <http://www.agriculture.gov.ie/agfoodinformationpages/agfoodagentforms/>.

Again, please note that the closing date for receipt of completed Commonage Management Plans is **31st August, 2015**.
