(a) a reference to a Regulation is to a Regulation of these Regulations, unless it is indicated that reference to some other Regulation is intended, and

(b) a reference to a paragraph or a subparagraph is a reference to the paragraph or subparagraph of the provision in which the reference occurs, unless it is indicated that reference to some other provision is intended.

(3) A word or expression that is used in the EC Regulations and is also used in these Regulations has, in these Regulations, the same meaning as it has in the EC Regulations.

Authorisation

3.(1) A person, applying for authorisation under Article 17 of EC Regulation 1829/2003 shall submit the application to the Minister.

(2) A person submitting an application under paragraph (1) shall submit the information required under the EC Regulations and such other information or samples as the Minister may reasonably request.

Place on the market

4. A person shall not place on the market or use a product unless it complies with the EC Regulations.

Appointment of authorised officers

5.(1) The Minister may appoint in writing such and so many persons as he or she thinks necessary to be authorised officers.

(2) (a) An authorised officer shall be furnished with a warrant of his or her appointment.

(b) When exercising a power conferred on him or her under these Regulations an authorised officer shall, if requested by any person affected, produce the warrant to that person for inspection.

Powers of authorised officers

6.(1) Subject to paragraph (2), an authorised officer may, for the purposes of ensuring that these Regulations and the EC Regulations are being complied with -
(a) at all reasonable times, enter any premises where he or she has reason to believe there is a product and inspect the premises,

(b) require any person in charge of the premises connected with any equipment or other device at that premises to produce to him or her any books, documents or records (and in the case of such information in a non-legible form to reproduce it in permanent legible form) relating to the product and to give to him or her such information as he or she may reasonably require in relation to the product,

(c) inspect and take copies of, or take extracts from, any such books, documents or records including in the case of information in a non-legible form a copy of or extract from such information in permanent legible form in whatever form kept,

(d) there or at any other place carry out such examinations, inspections or tests of the product, equipment or other device found on the premises or at the place as the officer considers appropriate and, if the officer so thinks fit, remove or have removed from there any product, equipment or other device and retain it for a reasonable period to facilitate such examination, testing or inspection,

(e) examine any procedure connected with the manufacture, installation or maintenance of the product,

(f) take, without payment, such samples of the product or of any other substance as the officer may reasonably require and carry out or have carried out on such samples there or elsewhere such checks and inspections as he or she considers necessary,

(g) secure for later inspection the premises or place or part of it,

that period, no prosecution in respect of the alleged offence shall be instituted.
