

## Glennon Brothers

Hi my name is [REDACTED] and I work in Glennon Brothers. I am very interested in supporting the proposed changes as my livelihood depends on it. I have a family of four and we need action now so my job is safe. I support this for the following reasons:

- There are long delays to licences caused by the FAC
- The FAC cannot cope with the workload
- This is hindering forestry activity and damaging the industry
- It is vital that the FAC is reformed to make it fit for purpose
- People livelihoods are at stake here.
