

GP Wood

To Whom it concerns

I support the Draft Agriculture Appeals (Amendment) Bill 2020

My reasoning being

There are long delays to licences caused by the FAC

The FAC cannot cope with the workload

This is hindering forestry activity and damaging the industry

It is vital that the FAC is reformed to make it fit for purpose

People livelihoods are at stake here, as forestry is predominately based in rural Ireland , this is vital for employment, in areas where it is needed.
