RE: SEA and AA National Strategic Plan for Sustainable Aquaculture Development

GSI Ref: 15/113

Dear Sir/Madam,

I would like to acknowledge receipt of your correspondence of 10 June 2015 concerning the National Strategic Plan for Sustainable Aquaculture Development, sent to the Department of Communications, Energy and Natural Resources of which the Geological Survey of Ireland is a division.

The Geological Survey of Ireland has no comments to make in relation to the Strategic Environmental Assessment and Appropriate Assessment of the National Strategic Plan for Sustainable Aquaculture Development.

If GSI can be of any further help please do not hesitate to contact me, or one of my colleagues in the Geological Heritage & Planning Programme (Sarah Gatley at sarah.gatley@gsi.ie or Maite Zabaltza at maite.zabaltza@gsi.ie).

Yours sincerely,
